

PARTS DEPARTMENT

Parts availability is important to you...so it is important to us! Our facility features a ten thousand square foot parts department, staffed by six full-time in-house parts personnel.

We understand that having parts available when you need them is critical to your success. Our suppliers understand that concept also. That is why our primary suppliers are Great Dane, Freightliner, Thomas Built Buses, Myers Snow Equipment, Knapheide Truck Bodies, Schwarze Sweepers and we supply parts for our many other product lines including:

[\(Click here to view and print our Product Line Card\)](#)

Construction Equipment	Recycle Equipment
Stake & Utility Body Parts	Dump Body Parts
Sewer Vacuum Equipment	Liftgate Parts
Trailers	Cranes
Hydraulic Systems	Sweepers
Snow Equipment	Specialty Bodies

Within the 10,000 square feet of parts facilities, H. A. DeHart & Son has direct access to over one million dollars worth of inventory at any given time.

In addition to Freightliner and Thomas service parts, we offer parts for all brands of buses. From engine parts to chassis parts to switches, if it is on your bus, we can supply it at a very competitive price.
